DESCRIPTION OF SPECIAL ENROLLMENT RIGHTS AND PRE-EXISTING CONDITION LIMITATION

Special Enrollments

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Pre-existing Condition Limitation

This group health plan contains a pre-existing condition exclusion that is limited to a maximum of 12 months (18 months for late enrollees) from the first day of coverage or of the waiting period, if any. This exclusion applies only to conditions for which medical advice, diagnosis, care or treatment was recommended or received within a 6-month period which ends on the day before your coverage or the waiting period, if any, begins. This exclusion period may be reduced by the number of days of your prior creditable coverage. The plan is not required to take into account any days of creditable coverage that precede a break in coverage of 63 days or more. To determine if any pre-existing condition limitation will apply to you, you may present your certification(s) of prior creditable coverage.

Creditable coverage can include coverage under another group health plan, an individual health policy, Part A or B of Medicare, Medicaid, CHAMPUS, a medical healthcare program of the Indian Health Service or tribal organization, a state health benefits risk pool, any public health plan, State Children's Health Insurance Program (S-CHIP), or a health plan issued under the Peace Corps Act.

You may request a certificate of creditable coverage from a previous employer, insurance company or HMO. If necessary, we will assist you in obtaining a certificate from any of these entities.

This Pre-existing Condition Limitation notice is being issued to you pursuant to the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) and reflects the protections afforded under federal law. If the state law applicable to your plan is more beneficial to covered individuals as to the length of the pre-existing condition limitation and permissible break in coverage, the relevant state law provisions will apply to and be part of your plan.

You may contact us if you need additional information or assistance. All questions about preexisting condition exclusions and creditable coverage should be directed to Trustmark Life Insurance, Affinity Markets Division, 400 Field Drive, Lake Forest, IL 60045.
